This webinar will give an overview of how Catholic organisations, religious and individuals can make investments that deliver positive environmental and social impacts.

Catholic Impact Investing Collaborative (CIIC) is a network where individuals and institutions interested in Catholic Impact Investing can come together, share experiences, and build relationships based on their spiritual as well as financial commitment to impact investing.

The webinar will aim to inform those who are new to impact investing and be the first stage in the process of developing a community of those interested in supporting Catholic Impact Investing in the UK, Ireland and across Europe.

Keynote speaker: Lord Deben, Chair of UK’s Committee on Climate Change

Dr Sr Gemma Simmonds CJ, Director of Religious Life Institute at University of Cambridge

Neil Thorns, Director of Advocacy and Communications at CAFOD

Sr Pat Daly, Former Executive Director of Tri-State Coalition for Responsible Investment

Shaun Cooper, Head of Finance at Franciscan Missionaries of the Divine Motherhood

Victoria Carrion, Director of Membership and Partnerships Catholic Impact Investing Collaborative
